

PAYware Mobile For The iPhone.™

New Markets Are Calling.

Bring payment to any merchant, anywhere.

Get your business on the move with PAYware Mobile from VeriFone. Now any merchant can accept credit cards with the iPhone, with confidence. One robust payment app combined with one durable card reader turns the iPhone into a secure, complete payment device.

Get growing.

With PAYware Mobile, you can grow your existing merchant base and attract new customers. Highly portable. Easily affordable. PAYware Mobile enables merchants to accept credit card payments anywhere their business may take them — like on the road to success. Plus the app is PA-DSS certified and the reader uses VeriFone's VeriShield Protect, offering end-to-end encryption and reducing security concerns. So if you're ready to take your business to places it's never been, become a PAYware Mobile reseller.
